Notes: These preliminary results for Round 1 / 2018 use best lap times from all sessions combined. There are new rules for 2018 and we have received Annex C forms from only 29 drivers. These are shown with a tick mark. Those in green have had the class corrected. There is no requirement for an Annex C from drivers with cars in Class PrepA, R or O. The Club's Motorsport Subcommittee will review these results to make sure classes are correct. This is Rev.3 and includes Flag Marshal Volunteers and Arthur Scerri's move to Class PB.
